

Springfield Apartment & Housing Association Serving the Rental Housing Industry

The Greater Springfield Apartment & Housing Association (SAHA) was established in 1980 as a non-profit professional rental housing organization, and is affiliated with the Missouri Apartment Association and the National Apartment Association. SAHA promotes the rental housing industry through education, legislation and communication. SAHA members strive to provide and support quality, affordable housing. Members are industry leaders who own and/or manage rental housing as well as product and service providers.

Goals...Open Doors

- ✓ SAHA keeps you informed on local, state, and national issues and legislation.
- ✓ SAHA ensures government hears our voice with a state lobbyist helping protect your investment.
- ✓ SAHA members do business with other members through extensive networking.
- ✓ SAHA provides many affordable and smart advertising opportunities for associated businesses and rental housing owner/managers.
- ✓ SAHA is your information source for national designations, current topic seminars and meetings including those for Independent Rental Owners.
